NON DISTRUTTIVE

Verona, 15/19 June 2026

**ECNDT 2026**, the European Conference on **Non-Destructive Testing**, brings together the best experts, academics and industry professionals in NDT field in order to share innovation, research and cutting-edge technologies for the future of inspections and quality control.

ECNDT is the main international event of **EFNDT**  
(*European Federation for Non-Destructive Testing*).

The Conference presents a rich programme of technical-scientific papers and an extensive exhibition space highlighting the link between research and industrial equipment with the aim of **promoting NDT** and facilitate networking and knowledge exchange between participants.

## GUIDELINES FOR ABSTRACT PREPARATION

The **Organizing Committee** of ECNDT 2026 invites all **experts** in the field to **submit their abstracts** for oral and poster presentations, with the aim of sharing cutting-edge research findings and significant international case studies. Submissions must be made through the **online system** available on the official event website.

### How to Submit Abstracts for Oral and Poster Presentations

STEP 01	STEP 02
Download the template on <a href="http://www.ecndt2026.org">www.ecndt2026.org</a>	Submit your abstract on <a href="https://www.conftool.pro/ecndt2026/">https://www.conftool.pro/ecndt2026/</a>

### Presentation Preference

<b>Oral Presentation</b>	<b>Power Point Presentation</b> 20 minutes including discussion
<b>Poster Presentation</b>	<b>Poster Presentation</b> Poster in AO format

## IMPORTANT DEADLINES FOR AUTHORS

2025,  
01st July - 15th  
November

**Abstract  
submission**

2026,  
31st January

**Acceptance  
notification**

2026, 15th  
March

**Author's registration and  
payment deadline**

## IMPORTANT INFORMATION

- Abstracts must be submitted **exclusively** through the online system available on the official conference website, following the specified format
- Up to three conference topics may be selected
- Authors must indicate their preference for an oral or poster presentation (the final decision rests with the Scientific Committee)
- Abstracts can be modified until the submission deadline, which is set for **11:59 PM on November 15, 2025**
- Authors will be notified of the selection outcome by **January 31, 2026**
- Authors of accepted abstracts must register for the conference by **March 15, 2026**
- No modifications will be allowed after acceptance
- Accepted abstracts will be included in the abstract book, which will be distributed to conference participants
- The final versions of accepted extended abstracts or full papers submitted for the conference proceedings will be made freely accessible on NDT.net's Open Access Archive in a special issue of the e-Journal of Nondestructive Testing (ISSN 1435-4934) ([www.ndt.net](http://www.ndt.net))
- Authors may submit their full paper to international journals and **ECNDT 2026 Publishing**, including:
  - *NDT & E International (Elsevier)*
  - *STRUCTURAL HEALTH MONITORING (SAGE Publications)*
