

Full Paper Submission is now open for “Nondestructive Testing and Evaluation”

We are pleased to announce that the full paper submission period is now open for **Nondestructive Testing and Evaluation**, a peer-reviewed journal published by **Taylor & Francis**:

<https://www.tandfonline.com/journals/gnte20/about-this-journal>

This submission option is reserved only for manuscripts **presented** during the ECNDT 2026 conference.

Complete information and detailed submission instructions are available at:

https://think.taylorandfrancis.com/special_issues/selected-papers-from-european-conference-on-nondestructive-testing-2026/

Full paper submission deadline: 15 October 2026

Publication costs are **free unless** you opt for additional services such as Open Access or printed color pages. Authors opting for additional services are **responsible** for covering the full publication costs. ECNDT 2026 **will not cover any publication costs**, either in full or in part.
