As a responsible organizer, we are committed to promoting sustainable practices and reducing our environmental impact. In line with this commitment, we have developed the following Corporate Social Responsibility (CSR) guidelines for exhibitors participating in our events.

- Minimize waste: Exhibitors are encouraged to use materials that are biodegradable, recyclable, or reusable. Disposable materials should be avoided whenever possible.

- Conserve energy: Exhibitors should use energy-efficient equipment and take steps to reduce energy consumption during the exhibition.

- Promote sustainable transportation: Encourage exhibitors to use public transportation, carpool, or bike to the exhibition whenever possible.

- Use eco-friendly materials: Exhibitors are encouraged to use materials that are environmentally friendly, including recycled materials.

- Support local and ethical suppliers: Encourage exhibitors to source materials from local and ethically responsible suppliers to reduce their carbon footprint.

- Encourage recycling: Exhibitors should take steps to recycle or properly dispose of any materials used during the exhibition.

C. BOOTH DESCRIPTION

YOUR BOOTH DESIGN:

1. INDIVIDUAL STANDS

For booths of or exceeding 18sqm, exhibitors can order a Shell Scheme at https://es.fieramilanocongressi.it/ or build an individual stand with a professional stand builder.

Description:
- Bare space without carpet delimited by marking on the ground.
- Layout by stand designer mandatory.
- Please carefully read the decorating rules and regulations for individual stands (see Approval of Booth plan section)

2. SHELL SCHEME STANDS

For booths from 9sqm to 18sqm, exhibitors are recommended to order one of the Shell Scheme options at https://es.fieramilanocongressi.it/

For any information, special or additional request please contact: iac2024@fieramilanocongressi.it
D. APPROVAL OF BOOTH PLAN
(Also refer to the ALLIANZ MiCo Convention Center Technical Regulations, art. 3.2.5.8)

1. DECORATING RULES AND REGULATIONS FOR INDIVIDUAL STANDS
Decorations that have not been approved by the event organizers may be removed without warning.
The booth locations provided will be empty, without a podium, carpeting, partition, or electricity meter.
Any constructions adjacent to or along the driveway will be limited to 2.50m in height and must maintain a 1.00m setback from the aisle and be painted white without any signage on surfaces facing adjacent booths. If the outer surface of the partition is visible from the aisles, it must be decorated.
The maximum partitioning allowed is 1/3 on each side.
The stand structure must not extend beyond the boundaries of the allotted space.

The ceiling heights are:

- MiCo South Wing under the balcony (Level 0): max height 4.5m / riggings included
- MiCo South Wing outside the balcony (Level 0): max height 6.5m / riggings included
- MiCo North Wing (Level 0 and Level +1): max height 3.5m / NO riggings allowed
- MiCo Central Wing (Level 0): max height 3m / NO riggings allowed

At the conclusion of the Event, the exhibition space must be returned in the same condition as originally found within the time frames specified in the “Provisions for the set-up and breakdown operations of the Event” on the ALLIANZ MiCo Convention Center Technical Regulations you can find in the Exhibitor Services Platform.

It is mandatory to remove and take away from ALLIANZ MiCo Convention Center the materials used for the stand (walls, ceilings, wall coverings on the floor, etc). Any possible traces of glue on the floor, caused by adhesive tapes used for laying carpet or other coatings, must be removed. Any damages, unequivocally attributable to the Exhibitor, are charged to the same.

Technical Floor
The maximum permitted load on the pavilion floor is:
- MiCo South Wing (Level 0): 5000kg/sq
- MiCo North Wing (Level 0 and Level +1): 500kg/sqm
- MiCo Central Wing (Level 0): 500kg/sqm
2. GENERAL – FOR ALL STANDS

• BANNERS, FLAGS, BALLOONS
  No suspension may be made from the ceiling of the exhibition hall nor may be made to the floor, walls, or any other part of the building without approval.

• CLEANING AND REFUSE
  General cleaning of the aisles will be carried out every morning prior to opening as well as the removal of small amounts of refuse, provided they are placed in trash bags or cartons in front of the stand in the evening.
  To have individual daily cleaning for your stand place an order using your Exhibitor Services Platform. For price list please refer to https://es.fieramilanocongressi.it/
  Exhibitors are advised that their stand areas should be completely cleared before they finally leave. Exhibitors will be charged for the removal of any refuse left behind.

• TEMPORARY PERSONNEL
  Stand attendants and security guards for your stand can be ordered using your Exhibitor Services Platform.
  For price list please refer to https://es.fieramilanocongressi.it/
  If you bring your own personnel, please make sure that you provide them with an exhibitor badge. Any security personnel of your own is not allowed to stay in the pavilion overnight
  ALLIANZ MiCo Convention Center does not provide labour for the handling of goods and other items. Please contact the official Freight Forwarding Company or your stand construction company.

• CARPET POSITIONING
  Carpet can be placed outside the limits of the space rented by the exhibitor only if necessary to connect two isles of the same exhibition booth.
  In any other case, it is mandatory to install the carpet within the bounds of the booth space.

• ELECTRICITY
  It is mandatory to order electrical supply and consumption using your Exhibitor Services Platform at https://es.fieramilanocongressi.it/
• **FURNITURE, KITCHEN EQUIPMENT, ELECTRICAL APPLIANCES/FITTINGS**
  Additional furniture, lights, kitchen equipment etc. can be ordered using your Exhibitor Services Platform at https://es.fieramilanocongressi.it/

• **LATE AND/OR ON-SITE ORDERS**
  Please remember that any sent order is confirmed only after the payment.
  Please take duly note that any complaint should be sent within 48hrs from the service supplied, otherwise it will not be taken in consideration. To submit a complaint, please use your Exhibitor Services Platform (“Claims” menu), send us an email or come to our Exhibitors Service Desk. List unit prices are valid for orders placed within September 20, 2024. Orders received between September 21, 2024 and October 11, 2024 are subject to a **30% surcharge**. Order received after October 12, 2024 are subject to a **50% surcharge**. Please note that some services might not be available as the date approaches.
  Any services you order during set-up, will be provided only subject to their availability and after full payment by credit card.

• **SOUND SYSTEM / DEMONSTRATION ON THE STANDS**
  Exhibitors wishing to organize demonstrations on their stand must provide sufficient space to accommodate spectators.
  These demonstrations must in no case disturb the other exhibitors or obstruct the aisles. Consequently, the sound level of these demonstrations must be low intensity (75 decibels max) and must not cause any disturbance or complaint from neighboring exhibitors.
  **Important Notice:** The exhibitor undertakes to obtain prior approval from the IAF for any event it plans to organize in the exhibition space (receptions, networking events, technical presentations, keynotes, etc.). An email is to be sent to sponsor@iac2024.org to request IAF approval.
  Please be advised that management reserves the right to shut down the unauthorized noise source after a verbal warning.

E. DELIVERY DETAILS / CUSTOMS CLEARANCE / MATERIAL HANDLING & FORWARDING

SOLE OFFICIAL FREIGHT FORWARDER
The sole official freight forwarder will help you with the customs clearance, onsite handling, storage and transportation of your exhibits to and from the venue.

For all on-site logistics requirements, please contact:

Expotrans SpA
Tel. +39 02 92956098
Mob. + 39 3475699917
ops.fmc@expotrans.net

1. MATERIAL HANDLING & FORWARDING / CUSTOMS CLEARANCE
Each exhibitor will be responsible for the customs formalities and delivery to the site of the goods of foreign origin which will be shipped for display or distribution to event.

The Exhibition Management cannot be held responsible for any difficulties.

The sole official freight forwarder, Expotrans, can process shipments coming either for permanent or temporary entry, including those traveling under ATA Carnet. It is very important to send to Expotrans all documents and information about the goods (commodities, HS codes if known, type of Customs operation required) as soon as possible.

All the costs related to the handling and transportation of exhibition materials to and from the show will be at the exhibitor’s care.

2. STORAGE
Please note that there is no storage facility at the congress venue. You can contact Expotrans for any storage needs you may have before, during or after the congress.

Expotrans can also offer an all-inclusive service for collection, storage and redelivery of either empty and full boxes during the show. A rush service for empty packages, granting the re-delivery of the empty boxes after maximum 2 hours from the opening of the hall gates, will also be available.

3. DELIVERIES BEFORE THE SET-UP DATES
As there is no storage facility at the congress site, any deliveries directly to the venue before the official set-up dates will not be accepted.

Consignments arriving before the set-up dates can only be delivered to Expotrans warehouse after sending a full pre-alert containing information about the commodity, weight and dimensions of the goods as well as an estimated date of arrival, exhibitor name, hall and stand number for a smooth delivery.

Feel free to contact Expotrans at your convenience before arranging your shipment and for any additional information you may need.

4. IMPORTANT INFORMATION
Please carefully read the Shipping Instructions and the Technical Regulations on the ALLIANZ MiCo Convention Center Technical Regulations you can find in the Exhibitor Services Platform.
F. INSURANCE

GENERAL DISPOSITION

1. “ALL RISKS” POLICY OF THE EXHIBITORS

AIDAA (the Organiser) furnishes to Exhibitor, free of charge, an “All Risks” insurance with a limit of Euro 25,000.00, to cover all goods, machinery, fixtures, fittings and equipment brought to and/or used into ALLIANZ MiCo Convention Center by Exhibitors.

However, as per Fiera Milano Congressi Technical Regulations, the Exhibitor must have an All Risks policy on the whole value of goods, machinery, equipment and fittings taken into and/or used in ALLIANZ MiCo Convention Center with a waiver of right to claim compensation towards Fondazione Fiera Milano, Fiera Milano Congressi, their parent, subsidiary and associated companies, AIDAA (the Organiser) and any third party involved in the organisation of the event.

In case of subrogation from its own insurer, the Exhibitor guarantees to hold the aforementioned Subjects harmless.

2. THIRD PARTY LIABILITY POLICY

This coverage is automatically provided, free of charge, for all exhibitors by AIDAA (the Organiser). This will become an extension of its general policy that has a limit of no less than Euro 5,000,000.00 (five million).

3. LIMITATION OF LIABILITY

The Exhibitor agrees to hold harmless Fiera Milano Congressi, Fondazione Fiera Milano, AIDAA (the Organiser), their subsidiary and associated companies from any liability for consequential losses, reputational damage, loss of revenues, etc.

Also for any direct loss, since each Exhibitor has in custody/care the reserved exhibition spaces and is responsible for the goods contained therein, the Exhibitor agrees to hold harmless Fiera Milano Congressi, Fondazione Fiera Milano, AIDAA (the Organiser), their subsidiary and associated companies from any liability, for goods/values covered and/or not covered and/or exceeding from the above mentioned Art.1.

The Exhibitor acknowledge that AIDAA (the Organiser) shall not provide insurance service/policy, or provide any benefit to the extent that the provision of such services or benefit would violate applicable law or expose AIDAA (the Organiser), their subsidiary and associated companies, to any sanction, prohibition or restriction under ONU Security Council Resolutions or under other trade or economic sanctions, laws or regulations. Therefore the Exhibitor under those restrictions, will not be covered by any insurance policy and release hereby AIDAA (the Organiser), Fiera Milano Congressi, Fondazione Fiera Milano, their subsidiary and associated companies, against all liabilities for any
harmful event that may be suffered within the Exhibition Centre available / owned / managed by the aforementioned subjects, nor will have any action, claim or request against such Subjects, for the aforementioned events.

AIDAA (the Organiser) and Fiera Milano Congressi assume no responsibility for goods, materials and anything else left unattended by exhibitors in the ALLIANZ MiCo Convention Center.

For parking within the congress centre: AIDAA (the Organiser) and Fiera Milano Congressi assume no responsibility for custody or for damage or theft for vehicles parked within the congress centre. Parking is permitted for vehicles with a special permit only in the parking spaces and during the opening hours of the Exhibition Centre.

**G. SANITARY MEASURES**

For all information about “Sanitary Measures” visit the ALLIANZ MiCo Convention Center Technical Regulations on the Exhibitor Services Platform.

**H. SECURITY**

The responsibility for the custody and surveillance of the exhibition spaces and what is contained and displayed therein rests with the respective Exhibitors, both during the Congress and during set-up and break-down periods until the final closing time.

The Exhibitor may make direct request through the Exhibitor Services Platform for specific day and night surveillance services for a fee (to be paid by the Exhibitor). Services performed by Vigilance Institutes other than those authorized are not permitted during hall closing hours.

The pavilion will be unlocked and locked in accordance with the Exhibition Times at page of this Technical Manual. Exhibitors are responsible for ensuring their stand is manned when the doors are opened.
I. PERSONAL CONDUCT AND ETHICS IN THE EXHIBITION HALL

As an exhibitor at the international expo, it is important to conduct yourself in a professional and ethical manner. The following guidelines are intended to help you maintain the highest standards of personal conduct and to ensure the safety and security of all participants and visitors.

1. Respect for others: Exhibitors are expected to treat all attendees, exhibitors, and staff with respect, regardless of race, religion, gender, sexual orientation, or nationality. Discriminatory or harassing behaviour will not be tolerated.

2. Safety and security: Exhibitors must adhere to all safety and security guidelines provided by the expo organizers, including the proper use of electrical equipment and the safe storage of hazardous materials.

3. Professionalism: Exhibitors are expected to represent themselves and their organizations in a professional manner, adhering to high standards of honesty, integrity, and ethics.

4. Respect for property: Exhibitors are responsible for the security of their own property and are expected to respect the property of others. Any theft or damage to property should be reported immediately to expo security.

5. Marketing and advertising: Exhibitors are encouraged to promote their products and services in a professional and ethical manner, but must not engage in deceptive, misleading, or offensive advertising or marketing practices.

6. Confidentiality: Exhibitors must respect the confidentiality of proprietary information and trade secrets, both their own and those of others.

7. Intellectual property: Exhibitors must respect the intellectual property rights of others, including patents, trademarks, and copyrights.

8. Use of technology: Exhibitors must use technology responsibly, ensuring that it does not interfere with the operation of the expo or the equipment of others.

9. Compliance with laws and regulations: Exhibitors are expected to comply with all applicable laws and regulations, including those related to international trade and customs.

10. Cooperation with expo organizers: Exhibitors must cooperate with expo organizers in the administration of the expo, including providing any requested information or assistance.

By adhering to these guidelines, exhibitors can help to ensure a safe, secure, and professional environment for all participants at the international expo. Any exhibitor found to be in violation of these guidelines may be subject to removal from the expo and other disciplinary action.
J. HOW TO USE EXHIBITOR SERVICES PLATFORM

Exhibitor Services is an online platform that allows companies to purchase services and items for their exhibition space, such as furniture, technical equipment, decorations, installations, hostesses, and cleaning. This Technical Manual, which includes all the information on exhibition space and sponsorship opportunities, including the terms and conditions, is also available on the Exhibitor Services Platform itself. Once you have registered on the Exhibitor Services Platform, you will have access to various items that can be purchased as an exhibitor for the Congress.

Please note that there will be no direct access to the Exhibitor Services Platform. Exhibitors will receive their own User ID and password after the receipt of the approval from the Organizers and the signature of the Exhibition/Sponsor Agreement.
