

Short CV – Ioannis Parodis

1 Personal data**Ioannis Parodis;** MD PhD; Associate Professor of Rheumatology; KI**Date of birth:** 13 August 1981**Workplace address 1:** Karolinska University Hospital, SE-171 76 Stockholm**Workplace address 2:** Örebro University Hospital, SE-701 85 Örebro**E-mail:** ioannis.parodis@ki.se

Area of research: Clinical and translational research within inflammation and autoimmunity, in particular systemic lupus erythematosus and lupus nephritis. My research focuses on biomarker exploration, and investigation of effects of biological and non-biological immunomodulatory therapies on clinical, biological, and patient-reported outcomes.

2 Education**Docent-level competence:** Associate Professor of Rheumatology (14 December 2021)**Medical specialty (rheumatology):** November 2012, Karolinska University Hospital**Medical licensure:** 14 August 2006**Medical degree:** 2 August 2006, University of Athens, Greece**Doctoral education:** 2013–2017; Defense: 17 February 2017; Title: “Systemic lupus erythematosus: Biomarkers and biologics”; KI; Main supervisor: Prof. Iva Gunnarsson

Post-doctoral positions: 2021–2022 Region Stockholm/KI-funded post-doctoral position: “Tailoring patient selection for biological therapy, and optimising surveillance and treatment outcome in SLE”; 2019 Université catholique de Louvain (Brussels): “Repeat kidney biopsy in lupus nephritis”, Mentor: Prof. Frédéric Houssiau

Courses**2021** Pedagogy for doctoral supervisors (2 weeks, KI, Sweden)**2020** Doctoral supervisory course (1 week, KI, Sweden)**2020** Web course for supervisors (1hr, KI Sweden)**2020** Web course on equal treatment (1 hr, KI, Sweden)**2019** Course in Pedagogical leadership (KI Pedagogy Leaders of the Future)**2017** Course in interprofessional education (IPE promoter)**2016** Course in pedagogical leadership (LIME, KI)**2012–2014** KI/SLL Research school in molecular medicine for clinicians**2012** Medical specialty: Rheumatology (Sweden)**2008** Medical licensure (Sweden)**2006** Medical licensure (Greece)**2006** Medical degree**2000–2006** Medical school, University of Athens, Greece**3 Current position****2012 (ongoing)** Senior consultant rheumatologist; Inflammation and Ageing; Department of Gastroenterology, Dermatology and Rheumatology; Karolinska University Hospital**Type of employment:** Permanent**Proportion of research and teaching:** 70%**2020 (ongoing)** Lecturer adjunct: 50%; Department of Medicine Solna, Karolinska Institutet**4 Previous clinical positions****2012** Rheumatology resident: Karolinska University Hospital, Sweden**2011–2012** Rheumatology resident: Mälarsjukhuset, Eskilstuna, Sweden**2009–2011** General medicine resident: Sundsvall, Sweden**2006–2008** Internal medicine resident: METAXA Cancer Hospital, Greece**2006–2008** Internal medicine resident: Lamia County Hospital, Greece

5 Awards and honours

2020 Amgen and Swedish Society for Rheumatology award recipient
2019 Pedagogy award; best supervisor of medical students, internal medicine, MedS, KI
2019 Elli Lilly and Swedish Society for Rheumatology award recipient
2019 SLEuro training bursary recipient
2018 ACR/EULAR Exchange programme award recipient
2014 Pedagogy award; best supervisor of medical students, internal medicine, MedS, KI
2007 Best poster, 13th scientific meeting for medical students and young physicians, Greece

6 Commissions of trust

2022 (ongoing) Director of Studies for the Internal Medicine course, Medical Programme, KI.
2019 (ongoing) Director of studies for the elective courses, Medical Programme, KI.
2021–2022 Coordinator for clinical competencies in the Curriculum Committee of the new 6-year long Medical Programme at KI.
2020 (ongoing) Member of the Educational Delegation of the Swedish Society of Medicine.
2019 (ongoing) Coordinator for education at the Medical Unit Gastroenterology, Dermatology, and Rheumatology, Karolinska University Hospital.
2016 (ongoing) Convener for the national group for the coordination of educational activities and rheumatology learning outcomes in the curricula of medical schools in Swedish universities, within the frame of the Swedish Society for Rheumatology.

7 Supervision

Graduated PhDs: Shahrzad Kia Komujuni (KI; December 2022). **Current PhD students, serving as main supervisor:** Alvaro Gomez Gonzalez (KI; admitted 2020); Julius Lindblom (KI; admitted February 2021); Alexander Borg (KI; admitted December 2021); Sandra Jägerback (KI; admitted March 2023). **Current PhD students, serving as co-supervisor:** Tomas Walhelm (Linköping University; admitted December 2021); Kinza Degerlund Maldi (admitted March 2023).
2019–2023 Main supervisor of 23 medical students for their medical degree thesis.
2015–2019 Co-supervisor of 4 medical students for their medical degree thesis.

8 Collaborating networks

Lupus Nephritis Trials Network (<https://lupusnephritis.org>): Lead for the Working Group “Rebiopsy, Biomarkers and Pathology”; **ReBioLup consortium** (<http://rebiolup.com>): PI/Coordinator; **Taxonomy, Treatment, Targets and Remission** (<https://3tr-imi.eu>): Co-lead for the Work Package “Cross-disease activities” and the “SLE Working Group”; **Inflammation Research Milieu X-HiDE** (Örebro University; <https://www.oru.se/x-hide/>): Co-lead of the Theme “Low-grade inflammation” and Coordinator of the Work Package “Clinical implication”.
